2 hours (peatbog)

LOCALITY: PASSO TONALE 41 This is an easy-access path which starts from behind the caravan area "Paradiso" in Passo del Tonale (1,883 m.). Go back using the same route. It can be walked with a stroller. Time required: 1 hour and 20 minutes

20 minutes. For a loop path, which cannot be done with a stroller, once you arrive at the end of the "fitness trail", follow the dirt road downhill until you reach the purification plant, which is located after the bridge on the Vermigliana stream. When you reach the purification plant, take a shortcut along the fields towards Tonale until you reach the peatbog information point, and then again, cross the small bridges, until the last of the three apartment buildings.

DOLOMITI DI BRENTA

30 minutes Places of interest: PARTIALLY information point In order to reach the San Bartolomeo Ospizio (lodging - 1,971 m.) from the centre of Passo Tonale (1,883 m.), you should take the path which runs along the ticket office of Adamello Ski or, as an alternative, you should take the tarmacked road next to the car park of the Valbiolo cable car. Time required:
30 minutes. Proceed along the dirt
road, which cannot be walked with a stroller, until you reach the Restaurant Valbiolo (2,244 m.). As an alternative, you can take the SAT path no. 111, which is located on the left-hand side of the Hotel La Mirandola, and then follow the indications for Malga Valbiolo. The panoramic path runs through prairies full of mountain vegetation and groundhogs' burrows. The restaurant can also be reached with the Valbiolo cable car which is open from the
